Ennis Fabrics	IN	USA	Kirk Reiniger	Vice President Sales and Marketing	kreiniger@ennisfabrics.com	780-232-0796	<p>Our Company was founded by James Ennis in 1972 knowing that there was a better way to service customers in the textiles and supplies industry. He knew there was a better way to provide customers with what they needed, when they needed it.</p> <p>Ennis Fabric's first warehouse was a 2,500 ft2 bay in Edmonton where fabrics and supplies were distributed in just Northern Alberta.</p> <p>However, thanks to the continued support from our valued customers, Ennis Fabrics has become an international distributor of globally sourced textiles and supplies.</p> <p>Today, we have over 9,000 products that are distributed throughout North America and globally from four extensive, full-service distribution centers in Toronto, Vancouver, and Indianapolis. Our fourth distribution center is our wholly-owned 40,000 ft2 quality control and consolidation warehouse in Ningbo China. The Ningbo distribution center is also capable of domestic Asian trading. Despite almost a half a century of operation, Ennis Fabrics still embodies James Ennis' original pursuits in providing customer-centric products and service. Ennis Fabrics is designed for your success.</p>

LuMatt Enterprises, LLC DBA New Wave Products	California	USA	Lewis Matthews	Owner/Inventor/Supplier	Newwavexp@outlook.com;	678-524-2436	Although, we're a startup company the owner has years of experience as a Finder putting together deals when no one else can. We could have your request for products fulfilled in a timely fashion as we currently have \$5 million financing from the second largest purchase order company in the United States. Thank you for this opportunity! thank you for your time, please stay safe! Truly look forward to to doing business and helping our vast community in this time of great need... I would love to be an advocate to assist you in the near future! Have the rest of a super great day	I'm a big box supplier which have manufacturers in China and a personal relationship with the owner of a textile manufacturer in Pakistan who makes products for billion dollar corporations here in the US-All will provide whatever products you may need provided the C virus will not hold up orders. I've been in touch with my manufactures regarding other requested medical items, like foldable Crutches, foldable canes with SOS alarms and flashlight- I'm ordering now for a Doctor who'd like 150 foldable walking canes. Most of them are back to work now, so I strongly believe we can fill any order at your convenience for the requested quantities.
