LuMatt Enterprises, LLC DBA New Wave Products	California	USA	Lewis Matthews	Owner/Inventor/Supplier	Newwavep@outlook.com;	678-524-2436	Although, we're a startup company the owner has years of experience as a Finder putting together deals when no one else can. We could have your request for products fulfilled in a timely fashion as we currently have \$5 million financing from the second largest purchase order company in the United States. Thank you for this opportunity! thank you for your time, please stay safe! Truly look forward to to doing business and helping our vast community in this time of great need... I would love to be an advocate to assist you in the near future! Have the rest of a super great day	I'm a big box supplier which have manufacturers in China and a personal relationship with the owner of a textile manufacturer in Pakistan who makes products for billion dollar corporations here in the US-All will provide whatever products you may need provided the C virus will not hold up orders. I've been in touch with my manufactures regarding other requested medical items, like foldable Crutches, foldable canes with SOS alarms and flashlight- I'm ordering now for a Doctor who'd like 150 foldable walking canes. Most of them are back to work now, so I strongly believe we can fill any order at your convenience for the requested quantities.
Medline	Illinois	USA	Deborah Coligado	Product Manager	dcoligado@medline.com;	773-977-8981	We either manufacture or work with converters to produce the final product. We have an exceptional distribution network that we can leverage to get products to customers.Our converters need to be sure that they can get all the raw materials they need from their suppliers in a timely manner. Can you help us with this?	
Posthaste Design	Michigan	USA	William Nathan Sneller	President	nsneller@posthastedesign.com;	1616-826-0397	We specialize in new (or new to the manufacturer) product introduction and can help with change over of existing manufacturing to medical products.	We have a vinyl welding machine which can be used to make body bags, equipment bags, lateral air transfer bags, perhaps blood pressure cuffs. It will require modifications, but we have the equipment. We also import lots of goods and have a supplier for disposable masks (not n95)
