Beautiful bioSolutions LLC			Martin Erim	CEO	MARTIN.ERIM@BEAUTIFULBIOSOLUTIONS.COM;	703-408-6961	We have developed and are manufacturing a spray application when applied to surgical masks (including disposable 3-ply form) that is 99.9% effective barrier against coronaviruses. This is based upon 20 years of research, studies and testing data with coronaviruses in animal populations. Testing also conducted with masks. We are looking at a production of 100,000 units in the next 90 days. Though untested, this spray application may be equally effective with general household fabrics and we have desire to find a testing partner for such at-home application (for example, with scarfs and handkerchiefs) providing a barrier equal to N95 masks. At nominal the cost.	
Beijing Neatrition Technology Co., Ltd		China	Xiao Pengfei	CEO	xpfyzdi@126.com;	-13366101609	Our products play a key role in epidemic prevention and control in other countries, and we hope they can help !	Name:Anti-Bacterial&Fog Textile It is not only a glass cleaning cloth, but also a high-tech product to prevent your glasses from fogging and bacterial. A special nano membrane can penetrate the virus or bacterial cell membrane attached to its surface, thus making it inactivated and denatured. At the same time, it can make the water vapor form a uniform anti fog film on the surface of the lens, instead of the tiny water drops that hinder the vision, which has the effect of anti fog and bacteriostasis, so that you no longer suffer from the fog. APPLICATION: Eye wears/Medical goggles

Ennis Fabrics	IN	USA	Kirk Reiniger	Vice President Sales and Marketing	kreiniger@ennisfabrics.com	780-232-0796	<p>Our Company was founded by James Ennis in 1972 knowing that there was a better way to service customers in the textiles and supplies industry. He knew there was a better way to provide customers with what they needed, when they needed it.</p> <p>Ennis Fabric's first warehouse was a 2,500 ft2 bay in Edmonton where fabrics and supplies were distributed in just Northern Alberta.</p> <p>However, thanks to the continued support from our valued customers, Ennis Fabrics has become an international distributor of globally sourced textiles and supplies.</p> <p>Today, we have over 9,000 products that are distributed throughout North America and globally from four extensive, full-service distribution centers in Toronto, Vancouver, and Indianapolis. Our fourth distribution center is our wholly-owned 40,000 ft2 quality control and consolidation warehouse in Ningbo China. The Ningbo distribution center is also capable of domestic Asian trading. Despite almost a half a century of operation, Ennis Fabrics still embodies James Ennis' original pursuits in providing customer-centric products and service. Ennis Fabrics is designed for your success.</p>
