Air Structures American Technologies Inc	New York	USA	Donato Fraioli	Principal	donato@asati.com;	914-417-1262		My Company ASATI manufactures air supported structures. We can build rapidly deployable medical facilities from 10-50k square feet which can be install in parking lots and fields of hospitals. I have 200k square feet of existing structures which are ready for immediate deployment and can produce another 1 million square feet of structures over the next 60 days. Also, I have a full crew available to take on any fabric related manufacturing. My men are highly skilled in sewing, welding, patterning cutting ect. ASATI would love to support its country through its manufacturing capabilities in this difficult time.
American Made bags	Washington D.C.	USA	Tommy Armour	President	americanmadebags@gmail.com;	330-475-1385; 330-592-4228 cell		We are a sewing factory in Akron Ohio with over 100 sewers... We can apply our services for whatever items are needed to be sewn. We also make camping chairs so we could convert to making coats.
APaDS	Washington	USA	Elroy Pierce	Owner	piercew@apadsolutions.com;	864-402-6097		APaDS has the capability to do many different sewn products. We are a small business with a few employees but have a vast network of cut & sew contractors that work with us. We also provide consulting services to the textile and apparel industries and can help any of them convert to product that are needed. We also work with individual services and DOD to develop and test products. Visit our website https://www.apadsolutions.com/ to get more information on the services we offer We have worked with many companies to help develop a lot of the items listed above.
Augusta Sportswear Brands Inc.	Georgia	USA	John Strasburger	VP of Operations	jstrasburger@augustasportswear.com;	706-228-6218 Grovetown, Georgia	I am a former VF senior manager - our VP of Purchasing & Sourcing is a former senior manager with Milliken - his name is Stan Pendergrass- we are both familiar with NCTO.	We are a large American apparel company with 3 owned & operated cut and sew factories "near-shore" in the Yucatan Peninsula - Mexico. We produce a large variety of activewear sports uniforms. We procure all of our raw materials - primarily light-weight MMF knits. We have a total of 1,100 sewing machine operators. We will have capacity available for alternate production for the near-term. (at least 1-4 mos. maybe longer) The items I checked in the boxes above are not what we currently produce; however, I believe they are sewn product categories which we could produce, at least the "basics" - given our equipment and skill sets.
