Air Structures American Technologies Inc	New York	USA	Donato Fraioli	Principal	donato@asati.com;	914-417-1262		My Company ASATI manufactures air supported structures. We can build rapidly deployable medical facilities from 10-50k square feet which can be install in parking lots and fields of hospitals. I have 200k square feet of existing structures which are ready for immediate deployment and can produce another 1 million square feet of structures over the next 60 days. Also, I have a full crew available to take on any fabric related manufacturing. My men are highly skilled in sewing, welding, patterning cutting ect. ASATI would love to support its country through its manufacturing capabilities in this difficult time.
American Made bags	Washington D.C.	USA	Tommy Armour	President	americanmadebags@gmail.com;	330-475-1385; 330-592-4228 cell		We are a sewing factory in Akron Ohio with over 100 sewers... We can apply our services for whatever items are needed to be sewn. We also make camping chairs so we could convert to making cots.
American Stitchco Inc	Arkansas	USA	Steve Luelf	President / Owner	sluelf@stitchco.com;	870-425-7777	We have over 36 years experience, with four factories in the northern part of Arkansas. Privately and veteran owned our expertise is in producing quality OEM products across a wide range of industries, including but not limited to: automotive, clothing, aeronautical to baby products. We are ISO and TS certified and are known for our expertise in a variety of cut, sew, heat sealing and pillow blowing capabilities. With over 600,000 sq ft of manufacturing space and a vast array of sewing equipment we have a huge capacity to be able to assist in rapid turn-around, specialty products.	Sleeping bags for Leidos/Nasa Cargo bags for Lockheed Martin / Leidos / Nasa Emisis bags Pipeline material Boot covers Baby diapers (re-usable) Pillows Pillow blowing a host of other OEM cut and sew products including a high level of expertise in cut and sew of vinyl products for automotive
Ampro	Pennsylvania	USA	Stephanie Shea	CEO	sshea@amprosports.com;	484-645-0985	We have 20,000 sq ft of warehouse space to distribute from.	We believe we could make hospital gowns out of oversized t-shirts. We have sewing machines, a large warehouse, and a production team that could be taught to sew. We have not sewn anything in a production capacity before, we are mostly a decorator for finished goods- we screenprint and embroider as our primary trade.
APaDS	Washington	USA	Elroy Pierce	Owner	piercew@apadsolutions.com;	864-402-6097		APaDS has the capability to do many different sewn products. We are a small business with a few employees but have a vast network of cut & sew contractors that work with us. We also provide consulting services to the textile and apparel industries and can help any of them convert to product that are needed. We also work with individual services and DOD to develop and test products. Visit our website https://www.apadsolutions.com/ to get more information on the services we offer We have worked with many companies to help develop a lot of the items listed above.

Augusta Sportswear Brands Inc.	Georgia	USA	John Strasburger	VP of Operations	jstrasburger@augustasportswear.com;	706-228-6218 Grovetown,Georgia	I am a former VF senior manager - our VP of Purchasing & Sourcing is a former senior manager with Milliken - his name is Stan Pendergrass- we are both familiar with NCTO.	We are a large American apparel company with 3 owned & operated cut and sew factories "near-shore" in the Yucatan Peninsula - Mexico. We produce a large variety of activewear sports uniforms. We procure all of our raw materials - primarily light-weight MMF knits. We have a total of 1,100 sewing machine operators. We will have capacity available for alternate production for the near-term. (at least 1-4 mos. maybe longer) The items I checked in the boxes above are not what we currently produce; however, I believe they are sewn product categories which we could produce, at least the "basics" - given our equipment and skill sets.

Ennis Fabrics	IN	USA	Kirk Reiniger	Vice President Sales and Marketing	kreiniger@ennisfabrics.com	780-232-0796	Our Company was founded by James Ennis in 1972 knowing that there was a better way to service customers in the textiles and supplies industry. He knew there was a better way to provide customers with what they needed, when they needed it. Ennis Fabric's first warehouse was a 2,500 ft2 bay in Edmonton where fabrics and supplies were distributed in just Northern Alberta. However, thanks to the continued support from our valued customers, Ennis Fabrics has become an international distributor of globally sourced textiles and supplies. Today, we have over 9,000 products that are distributed throughout North America and globally from four extensive, full-service distribution centers in Toronto, Vancouver, and Indianapolis. Our fourth distribution center is our wholly-owned 40,000 ft2 quality control and consolidation warehouse in Ningbo China. The Ningbo distribution center is also capable of domestic Asian trading. Despite almost a half a century of operation, Ennis Fabrics still embodies James Ennis' original pursuits in providing customer-centric products and service. Ennis Fabrics is designed for your success.
