Brown Sales Corporation	Wisconsin	USA	Ross Brown	Vice President	rbrown@brownsales.com;	800-236-5498	We are in the industrial cutting and sewing business. We are a small business (20 people total). We work everyday with industrial-grade materials (nylons, packcloths, corduras, vinyls, urethanes, etc.). We work with some lighter-weight materials as well (cottons, fleece, etc.). We have an Eastman EC3 Automated cutter available for precision fabric cutting (seen on our website here: <a href="https://brownsales.com/automated-cutting/">https://brownsales.com/automated-cutting/</a> ). We excel in quick response to customer needs. We have production capacity available with existing staff and equipment. We only run one shift currently so additional capacity can be realized if needed. We recognize the urgency of these potential needs and can prioritize efforts in this regard.	We produce many custom sewn products for the medical industry as described on our website here: <a href="https://brownsales.com/medical-sewing/">https://brownsales.com/medical-sewing/</a> Those items selected from this list are items which we have significant experience in producing, especially medical equipment bags. We are willing to evaluate all industrial sewing needs, however.

We could have your request for products fulfilled in a timely fashion as we currently have \$5 million financing from the second largest purchase order company in the United States. Thank you for this opportunity! thank you for your time, please stay safe! Truly look forward to to doing business and helping our vast community in this time of great need... I would love to be an advocate to assist you in the near future! Have the rest of a super great day	I'm a big box supplier which have manufacturers in China and a personal relationship with the owner of a textile manufacturer in Pakistan who makes products for billion dollar corporations here in the US-All will provide whatever products you may need provided the C virus will not hold up orders. I've been in touch with my manufactures regarding other requested medical items, like foldable Crutches, foldable canes with SOS alarms and flashlight- I'm ordering now for a Doctor who'd like 150 foldable walking canes. Most of them are back to work now, so I strongly believe we can fill any order at your convenience for the requested quantities.
